## **CDTi Announces Relocation of Its Corporate Headquarters**

VENTURA, Calif., July 11, 2014 (GLOBE NEWSWIRE) -- Clean Diesel Technologies, Inc. (Nasdaq:CDTI) ("CDTi" or the "Company"), a leader in advanced emissions control solutions, announced today a plan to relocate its Ventura, California corporate headquarters to its operations campus in Oxnard, California. The move is expected to be complete by July 14, 2014, at which time the Company's headquarters will officially be changed to 1621 Fiske Place, Oxnard, California 93033.

CDTi's President and Chief Executive Officer, Christopher J. Harris, said, "We believe this is an important step in our ongoing growth and success strategy. Not only are we reducing costs, we are strengthening collaboration among our team members to drive more efficient decision-making which in turn will enhance our ability to serve our customers and improve our performance."

Following the relocation there will be approximately 75 employees located at the Oxnard headquarters, which is comprised of corporate, manufacturing, sales, and research and development staff. CDTi employs approximately 150 employees worldwide.

### **About CDTi**

CDTi is a vertically integrated global manufacturer and distributor of emissions control systems and products, focused on the heavy duty diesel and light duty vehicle markets. CDTi utilizes its proprietary patented Mixed Phase Catalyst (MPC®) technology, as well as its ARIS® selective catalytic reduction, Platinum Plus® fuel-borne catalyst, and other related technologies to provide high-value sustainable solutions to reduce emissions, increase energy efficiency and lower the carbon intensity of on- and off-road combustion engine systems. CDTi is headquartered in Ventura, California and currently has operations in the U.S., the U.K., Canada, France, Japan and Sweden. For more information, please visit [www.cdti.com](http://www.cdti.com).

### **Forward-Looking Statements Safe Harbor**

Certain information contained in this press release constitutes forward-looking statements for purposes of the safe harbor provisions of The Private Securities Litigation Reform Act of 1995. Any statements contained herein that are not statements of historical fact should be considered forward-looking statements. You can identify these forward-looking statements by the use of the words "believes", "expects", "anticipates", "plans", "may", "will", "would", "intends", "estimates", and other similar expressions, whether in the negative or affirmative. Forward-looking statements are based on a series of expectations, assumptions, estimates and projections which involve substantial uncertainty and risk. In this document, the Company includes forward looking statements regarding reduced costs, strengthening collaboration, increased decision making, improved performance and enhanced customer service. In general, actual results may differ materially from those indicated by such forward-looking statements as a result of risks and uncertainties, including but not limited to the risks and uncertainties discussed or referenced in the Company's filings with the Securities and Exchange Commission. In addition, any forward-looking statements represent the Company's estimates only as of the date such statements are and should not be relied upon as representing the Company's estimates as of any subsequent date. The Company specifically disclaims any obligation to update forward-looking statements. All forward-looking statements in this press release are qualified in their entirety by this cautionary statement.
