CDTi to Present at the Rodman & Renshaw 17th Annual Global Investment Conference

OXNARD, Calif., Aug. 26, 2015 (GLOBE NEWSWIRE) -- Clean Diesel Technologies, Inc. (Nasdaq:CDTI) ("CDTi" or "the Company"), a leader in advanced emission control technology, announced it will present at the Rodman & Renshaw 17th Annual Global Investment Conference taking place at the St. Regis Hotel in New York City on Wednesday, September 9th at 12:05 p.m. ET / 9:05 a.m. PT.

A webcast of management's presentation will be made available in the investor section of CDTi's website at <http://investor.cdti.com/events.cfm>.

CDTi will host one-on-one meetings with investors throughout the day. Interested parties may schedule meetings through their Rodman & Renshaw or H.C. Wainwright & Co. representative or call LHA at 415.433.3777.

About CDTi

CDTi manufactures and distributes vehicle emissions control products that leverage its advanced materials technology. CDTi utilizes its proprietary patented Mixed Phase Catalyst (MPC®) technology and other related technologies to provide high-value sustainable solutions to reduce emissions, increase energy efficiency and lower the carbon intensity of on- and off-road combustion engine systems. Reflecting its continued focus on innovation, CDTi is developing and commercializing proprietary advanced low-platinum group metal (PGM) catalysts including synergized-PGM (SPGM™), as well as zero-PGM (ZPGM™) catalysts. CDTi is headquartered in Oxnard, California and has operations in the U.K., Canada, France, Japan and Sweden. For more information, please visit www.cdti.com.
