

## Clean Diesel Technologies

**NEWS RELEASE FOR October 5, 2007 at 2:00 AM EDT and 7:00 AM UK**

### **Clean Diesel Technologies, Inc. Effective Registration Statement**

**Stamford, CT – October 5, 2007** – Clean Diesel Technologies, Inc. (NASDAQ: CDTI; AIM: CDT/CDTS; XETRA: CDI), provider of innovative technologies and solutions that reduce emissions, conserve fuel and improve engine performance, announced today that its Registration Statement on Form S-1 covering the resale by holders of up to 2.8 million shares of common stock, \$0.01 par value, was declared effective at 5:00 p.m. EST on October 4, 2007 by the Securities and Exchange Commission. The registered securities comprise those issued by the Company in connection with its December 2006 private placement (primarily under Regulation S), including 690,500 common shares that are not presently outstanding but that may be issued upon the exercise of the Company's Class B warrants. A prospectus may be obtained by a request to the Company at the address below or by visiting the SEC's website (<http://www.sec.gov>). This press release does not constitute an offer to sell or the solicitation of an offer to buy securities in any jurisdiction.
